

Science-1A Students,

The lab notes for Wednesday, August 11 are at

<https://yosemitefoothills.com/Science-1A/OnlineLectureAndLabNotes/Week-01-Lab-Wednesday-August-11-2021.pdf>

For credit for this lab, study these notes and respond via email to the requested actions at the end.

I am still waiting for confirmations from many students that my e-mail messages are being received.

This is important because any communication failures need to be identified and fixed. Send confirmations to
