

Science-1A Students,

I have added the lecture notes for Monday, October 11. They are at <https://yosemitefoothills.com/Science-1A/OnlineLectureAndLabNotes/Week-10-Lecture-Monday-October-11-2021.pdf> .

These notes are for preparation for Quiz 5 which will be handed out next week, but due only after the Physics Midterm has been completed.

Craig
