

Science-1A Students,

My complete Welcome message is posted on my website at
https://yosemitefoothills.com/Science-1A/Welcome_to_Science-1A.pdf

This message is just to direct you to that web site and to check that we are in e-mail contact.
As mentioned in that Welcome message, ***it is important to let me know that you got this message!

Let me know if you would like me to also send email messages to another address.

The first three weeks of Lecture and Lab Note are posted at
<https://yosemitefoothills.com/Science-1A/OnlineLectureAndLabNotes/>

More will be added on Mondays, Wednesdays, and Fridays as we progress through the semester.

I have 54 students registered students. Any students not registered who wish to add, should become wait-listed and ask me at
science1a@yosemitefoothills.com
for an authorization code.

My work is greatly eased if you use the Subject line in your e-mails to aid me when searching through the thousands of messages I will receive over the semester.

Craig
