

Science-1A Students,

I have posted the lecture notes for August 30 which are to help you prepare for next week's Quiz-2.

They are at

<https://yosemitefoothills.com/Science-1A/OnlineLectureAndLabNotes/Week-04-Lecture-Monday-August-30-2021.pdf>

The Crash Course videos referenced in Friday Notes of August 13 and 20 should have helped you be ready for these questions.

Links to them are at
